## Kroc Institute News

### Book Reconceptualizes Peace as More than the Absence of War

*The Puzzle of Peace: The Evolution of Peace in the International System*, by **Gary Goertz**, Paul F. Diehl, and Alexandru Balas, moves beyond defining peace as the absence of war and develops a broader conceptualization and explanation for the increasing peacefulness of the international system. ### Book Examines Conditions for Lasting Peace

In his new book *Quality Peace: Peacebuilding, Victory & World Order*, **Peter Wallensteen** offers a broad analysis of peacebuilding, isolating what does and does not work when settling conflicts. The book uses statistical analysis to compare two war outcomes—negotiated settlement and victory—in the post-Cold War era. [More »](#)
