

Dissertation Committee Selection Form

rev. 09/17/2020

All doctoral students are required to identify a dissertation committee chair from within the Kroc Institute core faculty or faculty fellows and to solicit the participation of additional faculty committee members (minimum of three members total, including the chair) in accord with the Ph.D. Manual. To provide an official record of the committee, each student must acquire the signatures of the selected faculty and return the completed form to the Assistant Director for Doctoral Studies. This form is required for admission to doctoral degree candidacy (ABD status).
